HOME VISITING COALITION MOURNS THE PASSING OF REP. JACKIE WALORSKI

In light of yesterday's tragic news about the untimely death of Rep. Jackie Walorski (R-IN), the [Home Visiting Coalition](#) released the following statement:

"The members of the Home Visiting Coalition are deeply saddened by the news that Representative Jackie Walorski died yesterday in a car accident, along with two members of her staff. Representative Walorski was an incredible champion for children and families. Her leadership on the Maternal, Infant, and Early Childhood Home Visiting Program has been vital to the program's continuing success. We are so grateful for all she has done to improve families' access to home visiting services, and we hold in our hearts her family and the families of her staff."
